February 2016

Family Day Party!

The FCL is hosting a Family Day Party on **FEBRUARY 15 (12-3 pm)** at the Fraser Community League Hall. Come join your neighbours

and friends for family fun around the rinks. Free skating with warming tents and limited free skate rentals. Please bring your helmet. Fire pits with hot dog and marshmallow roasting available

(adult supervision required). Popcorn and hot chocolate provided. On site signup for snowshoe races, tug of war competition etc. Bring your own X-country skis and enjoy the X-country course.

PLAYGROUND UPDATE

The Fraser Parks Redevelopment Committee has been working hard to determine what our community league needs for a playground and the park as a whole. As we continue to create active partnerships within the community, we have received some great feedback from the Christmas party in December and will continue to reach out to everyone. A short survey will be made available shortly to gain more feedback. More to follow...

We meet on the first Monday of each month, with the next meeting to be held on March 7 at 6:30pm at the community hall. For more information or to volunteer please, email us at fraserplayground@gmail.com.

SOCCER REGISTRATION

Outdoor soccer registration dates at the hall are:

February 22nd and 24th from 6:00-8:00 pm.

Do you have a skill, talent, or interest you would like to share with the Fraser Community?

The Fraser Community Hall is available to rent for free to community league members for non-profit events open to the community. Please contact Jacquie for hall availability at her email: Jacquie.browne@hotmail.com to discuss your ideas.

Regrettably, the FCL must announce that a number of skates and a helmet have been taken from Fraser Hall.

The FCL has very generously made equipment available for all residents of Fraser to enjoy the great Canadian winter pastime of skating. This opportunity is based on an honour system, whereby participants respect the kindness being extended to them by leaving the equipment at the hall for others to benefit from as well.

We would ask that these items please be returned. If you are interested in borrowing a piece of equipment, we would request that you ask and sign out and return the item(s) on the next skate day. Thank you for being considerate of the needs of others.
