SOCCKER UPDATE

This year soccer outdoor season is underway and kids are having a blast. With our new nets and balls along with all the great parents the soccer program is representing Fraser in a highly positive way.

Thanks for all the parents who are helping coach and help with the teams. Come out and watch a few games from now till the end of June Games most weekday night in the Fraser fields.

Facilities Update

Meet the **new** Facility Director: Julia Hannigan

Upgrades this summer include:

Electrical upgrades in the building and lighting in the skating area

Repainting the stairwell leading into the playschool

Replacing some of the boards around the rink, painting the entire rink, and putting in an access for the city mowers.

Future plans:

Open up the main floor area to better utilize the space

If you can swing a hammer or wield a paintbrush, we need you!

Please contact me if you are interested in volunteering.

Visit our website for more details regarding these upgrades
