Please visit our website for more details

Halloween Day October 31st

We will have the free coffee/hot chocolate in front of Fraser School for the Hallowe'en parents/trick and treaters.

Fraser Park Redevelopment

September 19th was the annual Fraser Community Day. Congratulations to Amanda on winning the \$360 prize from the Park Committee's 50/50 draw!

At the end of September the Park Committee met with City Planners to move forward on the park design. By the end of the year the committee should be hearing from the City Planners on a basic design and by the beginning of the new year, the committee will come forward with the design to show the community the new park concept. We hope to break ground with the park by the summer of 2018. Right now the estimated costs for everything we have asked for is \$1.5-1.75 million.

Fundraising help is needed to achieve the park we all want. If you wish to help, please email us at fraserplayground@gmail.com. We would love to hear from you!

Programs

Glow Yoga Kid's Yoga is excited about the upcoming Yoga classes starting up again Saturdays, from November 5th to December 10th . There will be 2 classes running 9:30-10:15 (3-5) and 10:30-11:30 (6-9). Stay tuned on our website for the Registration Dates to be announced.

Art Nights: We would LOVE to continue this program on every second Tuesday as it was a big success, but need some help! fraserprograms@gmail.com if you are interested in helping budding artists with free creative activities!

Fraser Playschool is officially underway with classes started on Sept 19th. We have 18 students this year!

Learn to Skate Program: Remember the Learn to Skate Program at Fraser Community League last winter? It was offered by the city for free to help all ages learn! We are looking for an athletic person who has experience on the ice who would be willing to help out on Saturdays during the months of January and February. Please contact fraserprograms@gmail.com if you are interested in becoming an instructor.

Abbottsfield Youth Action Group are hosting a free after-school care program at the FCL Building! For more information visit our website.
