### **PLAYGROUND REDEVELOPMENT UPDATE!**

Most of the people in the Fraser Community can't wait to see a new playground built after watching our current playground be taken apart piece by piece. This is why the Playground Redevelopment Committee board members will be calling all of our member lists over the next few months to update them on how we are doing. Updating people with where we sit in our goals, and let you know what we are doing with fundraising. We want you to start thinking of how you could help us, there is no long term commitment needed to assist us in raising funds for this playground.

We will be looking for people willing to take order forms to work or around their neighbourhood for sales fundraisers such as honey, we need hands at events to keep them successful. Ask as many questions as you have when we call.

If you would like to be added to our playground volunteer list email [fraserplayground@gmail.com](mailto:fraserplayground@gmail.com)
