Playground Grand Opening!

Thank you to all of those that came out to our Amazing September Community League Day event and enjoyed the Grand Opening of our New Fraser Playground.

A huge THANK YOU to all of those who worked countless volunteer hours to help make this playground a HUGE success.

We hope to see a lot of new and familiar faces at the park this fall enjoying all the fun new features!

Fraser Community Garden

As we head deeper into fall and our gardens go to sleep, we begin the final stages of our city application and grant arranging. At our upcoming meeting on October 8th, we will discuss application statuses and grant writing options. The meeting will be at the community hall at 630 and will be short. Any discussion or questions about the garden can certainly be voiced and addressed at that time.

Please reach out to Remco our Community Garden Coordinator: frasercommunitygarden@gmail.com
